

Calusa Elementary School Adopt-A-Class 2018-2019

Please consider supporting your child's classroom and/or our school with the Calusa Adopt-A-Class Program. Our teachers receive an annual budget of approximately \$125 to run a classroom for an entire academic year. With this money, they are expected to purchase paper, construction paper, envelopes, and all other classroom supplies. Obviously, there is a shortfall- unless the class is lucky enough to get "adopted". Please consider supporting this program! In advance, we THANK YOU for your support!
